## Projects

### Portfolio

I designed and built my personal portfolio website to highlight my skills, completed courses, and projects. The website showcases my skills in web development, UI/UX design, and content organisation. It serves as a professional platform for recruiters and collaborators to learn about my work and achievements.

### Todo list App

A simple and responsive To-Do List App built with HTML, CSS, and JavaScript. It allows users to add, edit, delete, and filter tasks. Data is saved using LocalStorage. Designed to showcase core JavaScript skills like DOM manipulation, events, and ES6+ features.

## Achievements

- Drug Awareness Campaign
